

Oviya MedSafe

Advanced Pharmacovigilance Expertise For Global Drug Safety

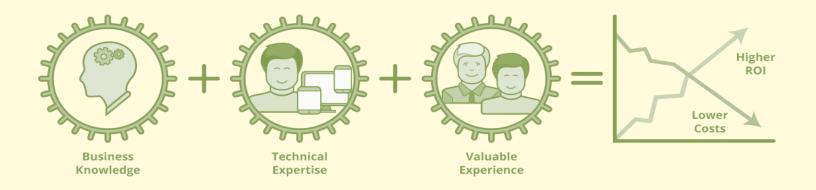

Introduction

Oviya MedSafe is a global Pharmacovigilance Consulting & Drug Safety Services company incorporated in India in 2012 and in the UK in 2014, providing end-to-end outsourced pharmacovigilance services to drug manufacturers and marketing authorization holders.

Oviya MedSafe also consults to emerging pharma/biotech companies and license-holders to establish and evolve their drug safety systems.

Vision, Mission & Values

Vision

"To become a leader in pharmacovigilance consulting services by strategically partnering with global pharmaceutical companies"

Mission

"To inculcate a pharmacovigilant culture and proactively support the growth of drug safety practices across the globe. We will achieve this by integrating our expertise in pharmacovigilance with our medical experience, ensuring compliance to the dynamic regulatory frameworks and deploying the most appropriate technology."
